Library opens at 10am. Registration from 10:15 – 10:50, first round at 11am

USCF rated games that are submitted to the TDs will be analyzed and published in a tournament bulletin. The bulletin will hopefully be mailed during my spring vacation (my new work schedule means this is difficult) You will be hard pressed to find a cheaper chess lesson!!

(We hope to analyze all games that are turned in, however we have a limited number of annotators, and no idea what the turnout will be! So – at the very least, the game of your choice will be annotated. We sadly aren't superhuman!)

Winner of non-USCF rated section will get a USCF membership.
