

The first First State Junior Invitational

The Bear Scholastic Chess Club is proud to organize the first ever First State Junior Invitational! It will be held on two successive Saturdays: January 14 and January 21, 2006 at the Howard Johnsons on 896. To be eligible you must be 19 or under on January 21, 2006. The current ratings on the USCF web site on December 10, 2005 will be used to determine invitations. If you are interested, please send your interest (and address) to Rick Martin or Bob Wilder!

Sixteen people will be invited to one of two 8 player round robins. The winner of the A group will be crowned First State Junior Invitational Champion. The winner of the B group will get an automatic invitation to the following year's tournament. There will be a modest entry fee to encourage participation in all 7 games. The time control will be Game/60.

We are tracking some of the top ratings on our web site. To see where you stand, visit http://bear.delawarechess.org/Invitational_Short_List.htm
